BAR BILLIARDS is played with 8 balls (7 white, 1 red). Red ball starts on the table, any score made with the red ball is doubled. Fouls shots include:

1. Any ball returning over bank-line
2. Falling to hit a ball in play
3. Knocking over white mushroom skittle

The above fouls zero your break!

After 10 minutes, potted balls are not returned, and play continues with the remaining balls. When the last two balls only remain, the ball nearest the player is returned to the half circle, and an attempt must be made to pot off the black cushion into the 200 hole. Beware! Knocking over the black skittle zeros your score.
